Stanley D. Longhofer, Ph.D

Dr. Stan Longhofer is a respected authority on real estate market conditions, with insights regularly featured in major outlets such as The Economist, Forbes, and The Wall Street Journal. His work spans both academic research and industry publications, reflecting a longstanding commitment to advancing understanding of real estate and financial markets. He holds a Ph.D. in economics from the University of Illinois and previously served as a financial economist with the Federal Reserve Bank of Cleveland, where he focused on mortgage discrimination and fair lending practices. His contributions have been recognized with honors including the 2019 Citizen of the Year award and the 2021 Kansas CCIM Chapter Lifetime Achievement Award.
